UX/UI & Product Designer

Essen, Germany · mostafa.mikati@hotmail.com · +49 1520 87 82 405 · mikati-portfolio.vercel.app · German citizen

PROFILE

UX/UI and product designer with a foundation in graphic design and brand identity. I pair a trained visual eye for typography, layout and hierarchy with hands-on product work: user flows, wireframing, prototyping in Figma, and shipping interactive web experiences. Recent self-directed projects span a scroll-driven 3D landmark experience built in React and three.js, an AI summarizer app, and a bilingual (Arabic/English) real-estate SaaS for the Gulf market. German citizen based in Essen; Arabic (native), German and English at B2.

CORE SKILLS

- UX/UI: user flows, wireframing, prototyping, interaction design, responsive design, design systems, information architecture (foundational), usability
- Design tools: Figma (primary), Adobe XD, Photoshop, Illustrator, InDesign, After Effects, Premiere Pro, Lightroom
- Also: Shopify, basic front-end (HTML, CSS, React), prototyping & motion, brand identity, MS Office
- Languages: Arabic (native), German (B2), English (B2)

SELECTED PROJECTS
